Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing 4 references to be considered by the Examiner. Also enclosed are 2 foreign patent references and/or non-patent literature as listed on the Information Disclosure Statement. The first non-patent literature listed, Alteri et al., was previously submitted on February 21, 2001 with a typographical error in the spelling of the first author's name (i.e., "Alteri" was incorrectly spelled as "Altri") Accordingly, the reference is not resubmitted here. The Applicants respectfully request that the previous listing be deleted and replaced with the corrected spelling.

This Information Disclosure Statement is being filed after the mailing date of a final action or after the mailing date of a Notice of Allowance. This Statement is accompanied by the fee set forth in 37 C.F.R. § 1.17(p). The Commissioner is hereby authorized to charge any additional fees which may be required or to credit any overpayment to Account No. 11-1410.
